Our Values for this half term are: Intentional and Prophetic

Be intentional and conscientious in the way we live and use the resources of the earth. Be prophetic in the example we set to others.

The Unveiling of Queen Elizabeth II Statue

Some of our pupils were invited by Newcastle Borough Council to take part in the special event of unveiling the statue of the late Queen Elizabeth II, in Queens Gardens. Our Year 1&2 pupils commenced the event with the school prayer, whilst our Year 5&6 singing squad followed with 'All things bright and beautiful'. The children represented the school community superbly and lots of the public commented on their fabulous talents and behaviour.

Year 4 Climate Change Workshop at St Giles' Church

Year 4 pupils learnt about God's creation of our wonderful world, the human actions that are causing climate change and what we can do to prevent further damage to our planet.
