Our Vision

Our Values for this half term are: Intentional and Prophetic

Be intentional and conscientious in the way we live and use the resources of the earth.

Be prophetic in the example we set to others.

The start of a new year:

All of our children have come back to school happy and ready to learn. Here are some of the things that have already been happening...

PE with Time 4 Sport, exploring through play, observing our environment, delving deep into texts & characters.

St Giles' & St George's C of E Academy

Our Newly Appointed Leadership Team Head and Deputy Head Boys and Girls Prefects

Our Year 6 pupils will be working to support pupils and staff all across school. They have been given specific jobs and events to carry out and even plan. We look forward to seeing them flourish into great leaders.

Worship Council- Prayer Spaces

Our Worship Council have been working hard, with the help of Rev Clare, to plan Prayer Spaces for our whole school. In two weeks, they will be setting up and leading numerous prayer space activities for every pupil and teacher in school. It is a chance for our community to reflect and explore prayer in an individual, creative and interactive way. We look forward to sharing this with you.
