

Mrs Pointon's Newsletter

DEAR PARENTS & GUARDIANS,

We have had a brilliant start to the new school year and have welcomed more than 80 new families to our school community. It has been lovely to watch the children grow new friendships, settle into their classes and begin their learning.

We are now at the point in the year where we look carefully at our support for children with additional needs. Your child's class teacher will share their support plan with you via e-mail by the 9th October.

UPCOMING EVENTS

- Year 6 ES Glow Worship - Wed 23rd Sept 14:00 at St Giles' church
- Wed 7th Oct - Year 1 Parent reading workshop
- Thurs 15th Oct- Photo Day

REMINDERS

1. If your child has an allergy or medical condition please ensure you have completed a healthcare plan form, available at the school office.
2. Please return your child's asthma care plan form if you have been given one by your child's class teacher.
3. Please ensure when driving or parking around the school you are mindful of both children and residents.

Absences

If your child needs to be absent from school for a reason other than illness please complete a leave of absence request form from the office.

If your child is absent due to illness we have a dedicated line on our school office phone for you to ring and record the reason for the absence.

At St Giles' and St George's safeguarding is out top priority and staff must always have a reason for a child's absence from school.

Let's stay connected.

You can message me directly through your child's class dojo account.

Our community is inspired by our Christian values to enable all to flourish in mind, body, heart and spirit.
"He set my feet on a rock and gave me a firm place to stand" (Psalm 40 v.3)

At St Giles' and St George's C of E Academy we deeply value our partnership with parents – grounded in our Christian values and the belief that every child flourishes when home and school work together.

Your insights, support and daily encouragement make a real difference to pupils' learning, behaviour and well-being; whether you join us at school events, share feedback, or support learning at home, you are central to our community.

We will continue to keep communication open and practical – through this newsletter, class dojo, Arbor and parent meetings.

We welcome your ideas about how we can strengthen our partnership so every child is given a firm place to stand
