Year 6 SATS week

Mrs Booth has sent home a letter regarding Year 6 SATS next week. We aim to make the week as low key as possible for the children mixing tests with fun activities in the afternoon. Children are welcome to join us for breakfast at 8:30 every morning. Please enter school through the main yard.

Getting to know the children

Over the next few weeks I will be taking the opportunity to get to know the children by teaching each class from Nursery to Year 6 for one day. A lovely opportunity to spend time with the children to get to know them better. I have also placed a suggestion box for the children outside my office, the children have come up with some lovely ideas such as running a nature club for younger children, better awards and maybe a school pet. I hope to be able to act on as many suggestions as possible over the next few months. I have also added a suggestion box in the school foyer for parents and carers to add any comments or ideas they may have.

Clubs

The children are extremely lucky to have such a wide range of free clubs on offer each term, something that is not offered at many other schools. Please take every opportunity to encourage your children to take part in these club and if you have any suggestions of extra clubs you would like to see please let us know. The children have already requested a Gymnastics club which we are looking to make available in September.
