Butterfly Breaths

Sit on the floor with the bottom of the feet touching and the knees bent out to the sides. Put your hands on your ankles and gently bounce your knees like you are flapping butterfly wings. Close your eyes and breathe slowly and calmly. Be sure to take slow deep breaths in and out. Pretend you are flying to your favorite place in the whole world. Imagine what it looks like. What do you see? What do you hear? What does it feel like? Imagine you are flying around and you are happy and calm. Now it is time to fly home, slowly flap your wings back home. Take a deep breath in and slowly exhale. Now slowly open your eyes.

Waves on the Ocean Breaths

Lie back gently on the floor with your feet out in front of you. Place your hands on your stomach. Breathe in through your nose and feel your hands rise up. As you slowly exhale, feel your hands go back down. Pretend that your stomach is waves in the ocean and your hands are a sailboat. Each time you breathe in the sailboat goes up on the waves and each time you breathe out the sailboat goes down on the waves. Repeat.
