Bee Active TV

All the children at school have an exciting opportunity to take part in a new project by Bee Active (Our school sports coaches). Their aim is to create a library of digital video resources that will be used to promote high quality Physical Education and physical activity for children up and down the country. All filming will be completed on the school grounds and will include children of all ages.

If you would like your child to take part in this activity please complete the form which can be found at

<https://beeactive.co.uk/tv/>

Homework sharing and Shine Mornings

We are very disappointed that we are currently unable to offer our usual Homework sharing and Shine mornings to parents. These are a valuable opportunities for you to share your child's learning with us. To replace these events we will be posting more pictures and videos on your child's class page on the website. To access these please visit the school website

<https://www.stgilesstgeorgesacademy.co.uk/> and click the class page tab.

We are so proud of all our children, they are doing a fabulous job following our new Covid rules, especially our new Nursery and Reception children who have settled in brilliantly.

To view pictures of how your child is settling please visit your child's class page on the school website.

We are asking children to come into school in their PE kits on their assigned PE day. A small number of our older children are taking this opportunity to wear PE kit on non PE days, could we please ask parents to only send their child into school in PE kit on the following days.

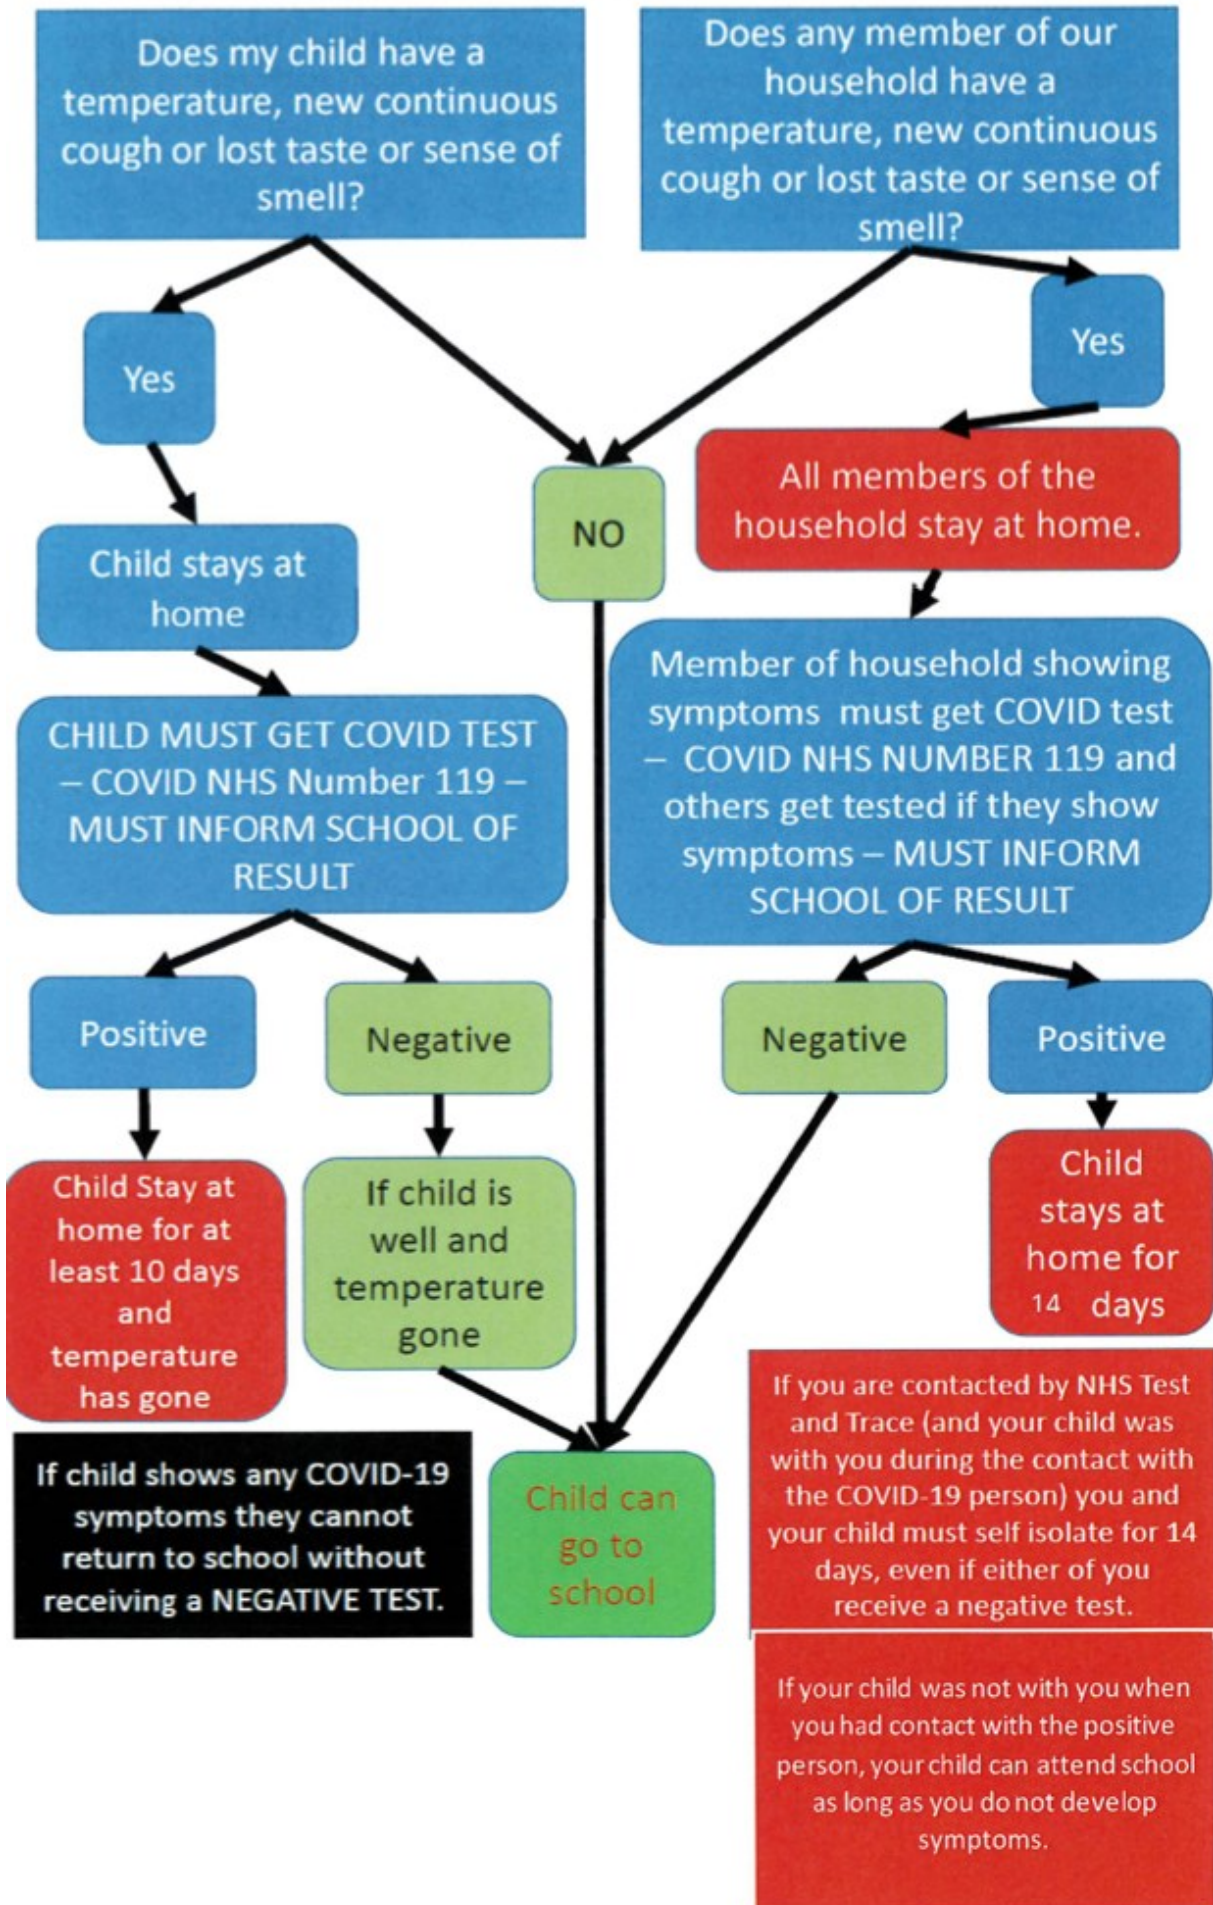

Tues—Nursery and Reception

Wed—Year 1 and Year 2

Thurs—Year 3 and Year 4

Fri—Year 5 and Year 6
