<u>PE Kits</u>

Can we please ask that your child's PE kit be kept in school at all times. They will be sent home for washing each half term. Due to current circumstances PE will take place outside wherever possible so we would suggest that PE kits contain dark tracksuit bottoms and a dark hoodie to enable children to participate in the colder weather. No earrings may be warn during PE and therefore we would ask you to remove these on your child's PE days. If your child has earrings in on PE day a member of staff will ring to ask you to remove them. On your child's PE day they will be ready to leave at 3:20 as they will need time to get changed.

<u>Welcome Back</u>

It is lovely to see everyone back at school looking smart and ready for a new school year. The children have shown remarkable resilience by settling in well to their new classes. Teachers are currently focusing on our Recovery Curriculum with the children. This curriculum takes the form of three strands.

- Changes—Looking at the changes the children have undergone over the past 6 months, the reasons for them and how they have made the children feel.
- Connecting—helping children to reconnect with their friends and teachers.
- 3) Gratitude—Despite the challenging times the children have been through helping them to see the positives and the things they can be grateful for?

The school has also put in place a wellbeing scheme of work which we hope will give the children the tools they need to build their own mental wealth. We will give you more details throughout the year.

<u>Breakfast</u>

From Monday we will be providing children in Reception-Year 6 with the opportunity to have a portion of bagel when they arrive at school. This breakfast is free of charge and available to all children on arrival. We hope that this allows children the best start to their learning for the day.

Gospel Values

At St Giles' and St George's our school we educate all our children with the following vision.

'Inspired by our Christian faith, we guide children on a personalised journey towards achievement. As a learning community, we are committed to ensuring that children are equipped with, skills and aspirations to reach their full potential in mind, body, heart and spirit.'

At the heart of this vision is our shared Gospel Values, this year we will be focusing on two values each half term, discussing with the children what they mean and how we can live our lives showing these values to others.

Our focus values this half term are
