Friday 18th December	Christmas Party day with Santa

Reports and Parents Evening

You should have received your child's report today and we hope that this has given you a clear picture of the current attainment of your child and where we hope to move your child too by the end of the year. As a follow up to this we will be holding a parents evening on Thursday 12th November 2:00 until 6:30, due to current circumstances these meetings will be held via Zoom. You will receive a text message asking you to book a time on our online system. Closer to the day you will receive an invite to a zoom meeting, there is no need to download the zoom app you can simply click on the link. When you enter you will be placed in a waiting room and much like a normal parents evening you will be allowed to enter the meeting when the teacher has finished with the previous parent. These meetings are very important and foster good communication between teacher and parent which in turn has a positive impact on your child's education.

Don't forget
Parents'
Evening!

School wellbeing

The children are really enjoying their brilliant schools wellbeing sessions and we are pleased to bring Parents a session of their own. This session is available using the following link:

<https://www.brilliant.school/courses/week-7-live-session-brilliant-parenting/?ex=1&ac=1603271339>

The session is called Brilliant Parenting and uses the same fun and light-hearted approach that makes the children's sessions so effective

Parking

Please be considerate when parking your car in the surrounding streets, we have had some very near misses over the past few weeks and have had to contact the PCSO's to monitor the traffic to ensure child safety.

Road Safet
