

Reception Remote Learning - St Giles' and St George's Academy

Week 2

Text focus: Superworm!

Phonics	Writing
<p>Follow the link below to watch the Mr Thorne video series. The link will take you to all of the episodes relating to Phase 2 graphemes.</p> <p><a href="https://www.youtube.com/watch?v=vMEvxTGvi4c&amp;list=PLqh11DN6jmbCsIPschffPaxvCdS9d6qPN">https://www.youtube.com/watch?v=vMEvxTGvi4c&amp;list=PLqh11DN6jmbCsIPschffPaxvCdS9d6qPN</a></p> <ul style="list-style-type: none"> <li>• Choose one of these episodes each day. Choose from: m, n, d, g, o, c, k, b.</li> <li>• Use the link on our class page to listen to the Jolly Phonics songs relating to the graphemes which you have chosen.</li> <li>• Can you go on a hunt around your house for items with that sound in, either at the beginning or at the end of the word.</li> <li>• Take the letters off your sound ring and have a go at making some words yourself. Can you write them and put sound buttons underneath?</li> </ul>	<ul style="list-style-type: none"> <li>• Draw and colour your own super minibeast, complete with super uniform. Make sure that you give it a super power and include all of its features. Make sure that you are using/trying to use a tripod grip when holding your pencil/crayons.</li> <li>• Now, use your sounds to label some of its parts. Can you improve any of the labels and add an adjective? E.g. bumpy skin, red cloak. Remember if you are writing two words, to leave a finger space between them.</li> <li>• Write a list of some of the things that Superworm turns into and decorate with pictures. Listen for the sounds within the words and write down the matching letters for the sounds that you hear.</li> <li>• Practise writing the tricky words that are on your sound ring. Once you think you know it, test yourself. Turn it over and write it. Now be the teacher and mark your work. How did you do?</li> <li>•</li> </ul>
Maths	Communication and Language
<p>Follow the link in the home learning box to explain the maths activities further.</p> <ul style="list-style-type: none"> <li>• Describe and continue the minibeast patterns.</li> <li>• Make a symmetrical worm painting.</li> <li>• Draw worm number lines and add numbers, counting forwards and backwards.</li> <li>• Create your own worm charming dance.</li> <li>• Create your own yucky minibeast supermarket, with labels for items.</li> <li>• Compare lengths of worms.</li> </ul>	<p><a href="https://www.youtube.com/watch?v=4pZwNie69n8">https://www.youtube.com/watch?v=4pZwNie69n8</a></p> <p>Follow the link above and listen to the story together. Pause at 3.05 minutes. Can you predict what the animals are doing? At the end, can you answer these questions: What is your favourite part and why? Who is your favourite character and why? Can you remember what Superworm turns himself into?</p>

## Reception Remote Learning - St Giles' and St George's Academy

Understanding the World	Expressive Arts and Design
<ul style="list-style-type: none"><li>• Go out in the garden and see if you can find any minibeasts. Think about where you might look - under rocks, leaves, in the soil, on leaves.</li><li>• Draw a map of where you looked for minibeasts and mark where you found your creatures.</li><li>• Whilst you are outside, think about what you can see, hear, feel. E.g. what does the soil/worm feel like in your hand?</li></ul>	<ul style="list-style-type: none"><li>• Using the song from Friday's maths lesson (see maths link), learn some or all of the song and have a go at performing it. Put some actions to it to help you to remember the words.</li><li>• Why not use some recycling products that you have around your house and make a musical instrument to play when you sing your song. You could add small objects to a bottle to make a shaker or elastic bands to a tissue box to make a guitar.</li><li>• After going out in your garden, draw one of the minibeasts that you found. If you haven't found anything, why not google your favourite for photographs.</li></ul>

In addition, please complete the following:

- Read with your child every day,
- Follow this link for fine motor exercises,
- Practise writing your name daily, complete with a capital letter and lower case letters.
- Complete a cosmic yoga or Joe Wicks video once a week as part of PE.
