Friday 2nd April 2021 – Friday 16th April 2021	**School Holidays**
Thursday 29th April	Parents Evening
Monday 31st May– Monday 7th June (Inclusive)	**Half Term Holiday**

School Trips

The current Coronavirus regulations do not allow for any overnight trips and thus we have had to make the following arrangement. The Year 6 trip to Standon Bowers has been moved to June 21st and the Dearne Valley Trip for the current Year 5 children has been moved to September. We also hope to arrange a Dearne Valley trip for our current Year 4 children.

Recovery Curriculum

The Staff have worked hard to create a fun and exciting recovery curriculum for all children. This includes team building activities, drama and outside learning, art and crafts and resilience and problem solving. This is designed to help children to settle back into school as quickly as possible. Alongside this Staff have planned a catch up curriculum across the core subjects ensuring that children quickly fill any gaps in their knowledge and become more familiar with mental and quick recall facts. Once the children are fully settled staff will undertake some assessments in Reading, writing and Maths and the outcomes of these will be shared with you in our Spring reports. This way we can share with you the impact of the current lockdown and what we will be doing to close gaps for children.

Coronavirus and Self-isolation

If you or your child shows symptoms of coronavirus you must remain at home and book a test.

The Government has now expanded its Rapid flow testing to

Households, childcare and support bubbles of primary and secondary pupils

You can access twice weekly tests for yourself and your children in one of the following ways

- at a national test site – find your nearest testing site
- by collecting a home test kit from a test site
- by ordering a home test kit online if you can't get to a local testing site.

Stop the Stink

The Children have worked very hard to highlight the environmental concerns surrounding the smell which comes from Whalleys Quarry. They have written to the Environment Agency, Aaron Bell the Local MP, the Sentinel and the quarry itself. Aaron Bell MP then visited school to speak to the children and answer their questions and concerns. This is an issue which affects us all and we would encourage everyone to contact the environment agency with their concerns.

ROOTS Activity Sheet

14-20 March 2021
Lent 4

John 3.14-21

Jesus speaks about eternal life and living in the light of God.

Jesus says, 'For God so loved the world that he gave his only Son, so that everyone who believes in him may not die, but may have eternal life.'

Write

Can you come up with something to thank God for, beginning with each letter of the word 'light'?

L _____

i _____

g _____

h _____

t _____

Draw

In the flame, draw a way we can show the love of God in the world.

Puzzle

Use your finger or a pencil to follow the labyrinth path as you think about God loving you for ever. You can start the journey wherever you like.
