Dear Parents,

We have this week seen a small surge in confirmed Positive COVID cases and as a result I am having to implement the school outbreak management plan. Thus, from **Tuesday 19th October** until further notice the following measures will be in put into place.

- 1) There is to be no mixing of Key Stage bubbles within school.
- 2) All staff will wear a mask when in communal areas
- 3) All visitors including parents must wear a mask when entering the school building
- 4) Parents are asked to maintain social distancing when talking to staff.
- 5) Enhanced cleaning throughout the day
- 6) No whole school or parental events
- 7) Any child displaying any symptoms of a cough, temperature or loss of taste or smell must not come into school and parents must take them for a PCR test.

We very much hope that these measures are only in place for a short time and that the half term break will provide a timely break to help us to reduce the positive cases.

Yours faithfully

Mrs Pointon

Headteacher
