

COFFEE AND A CATCH UP!

We would like to invite parent and carers of children and young people with SEND to come into school for a catch-up meeting on **Wednesday 19th January 2022 at 2pm.**

There is no agenda, just an opportunity to:

- chat with other parent carers and offer each other
 - support, tips, suggestions and encouragement
 - chat to Mrs Booth and ask any questions or queries
- offer suggestions on ways school can further support you and your families
- have a chance to talk to some representatives from external agencies

If you would like to attend, please text (or ring) school in advance so we have an idea of numbers.
