## Red Nose Day - Friday 18<sup>th</sup> March

Dear parents/carers,

On Friday 18<sup>th</sup> March it is Red Nose Day, as next week is Science week for the whole school we are asking children to dress up as their favourite scientist or something science related e.g test tube.

As a way to support the valuable charity that is Comic Relief, red Noses will be available for your child to purchase from the school office. Please note there are a limited supply of red noses and will be on a first come first serve basis. We have also had to put a limit of the number of noses being purchased to one per child

We look forward to a busy week next week as we celebrate Science across the school and raise money for a valuable cause.

Many thanks

Catherine Pointon
