Dear Parents,

Following our text sent yesterday we can confirm that there was an accident yesterday within school, involving a member of staff. The staff member was given First Aid at the time of the accident and was taken to the North Staffs University Hospital for ongoing treatment.

An investigation is now underway with other agencies to understand the circumstances which have led to this event. I am sure you will join with the whole school community in offering our prayers and best wishes to the staff member and his family whose privacy we would like to respect at this time.

We understand that this is a worrying event for both children and parents and trained counsellors have been available for children today if they felt they wanted to share their concerns.

If parents have any further queries please contact the school office on 01782 917640 or bursar@stgg.org.uk

Yours faithfully
