Play equipment

We have recently had a number of incidents both accidents and behavioural on both the MUGA pitches and play equipment before and after school. Children are unfortunately not allowed to access the MUGA pitches and play equipment before and after school for these reasons. Please support the school by asking your children to stay away from these items.

SCHOOL UNIFORM

As we move into the summer term can I take the opportunity to remind you of our summer school uniform rules.

Reception and KS1 Boys- Grey trousers or shorts, white polo shirt, navy jumper with logo, black shoes.

Reception and KS1 Girls – Grey skirt or trousers, white polo shirt, navy jumper with logo or navy blue checked summer dress, black shoes.

KS2 Boys- Grey trousers or shorts, white shirt and tie or white open necked summer shirt (no tie), navy jumper with logo, black shoes.

KS2 Girls – Grey skirt or trousers, white shirt and tie or open necked summer shirt (no tie) or blue checked summer dress, black shoes.

Nursery and PE Kit – navy shorts, leggings or tracksuit bottoms, navy PE t-shirt, School PE hoodie.

I know it is tempting in warmer months to allow children to wear sandals, but these are not appropriate footwear for a school in which we have lots of tables and chairs which may accidentally be placed onto someone's toes, therefore black school shoes are required throughout the summer term.

FREE, FLEXIBLE, ONLINE FAMILY LEARNING

10 week course starting Wednesday 4th May. For parents and carers with children aged 5-11.

Support your child's development in the core subjects and beyond, through fun, outdoor focused activities. Inspire their curiosity, spark their joy for learning, nurture a love of nature. For more info contact Rebecca on 07525 120117 / communityforestservices@gmail.com.

Inspired by the Forest School ethos, this online course provides a variety of nature based activities to support children's development. Each week we provide an email pack with ideas to try at times to suit you. We cover maths, science and literacy, as well as the arts and practical skills to raise confidence and build resilience. Families are also introduced to activities to help their mental health and wellbeing. And there's lots of help along the way from two experienced tutors.

All families will be invited to an end of course celebration event, to receive a certificate of achievement and a free plant to support wildlife in their garden.
