Wednesday 20 th July 9:30am	Year 6 Leavers assembly
Wednesday 20 th July	Last Day of School

WALK TO SCHOOL WEEK 2022

Walk to school week 16th – 20th May

Our school is taking part in walk to school week. Every morning your child will be completing a chart to show how they travelled to school. Every child who walks to school each day next week will receive their own certificate!

Changes to the school day:

In order to ensure that the school meets the Government guidance regarding a 32.5 hours school week the school day will return to the following timing next year.

8:40am-8:50am Flexible arrival (children must be in school by 8:50am)

3:15pm school finish.

Catch up and after school clubs will continue to take place next year both before and after school.

The Queen's Jubilee 2022

On **Friday 27th May** we will be celebrating the Queen's Jubilee. The children will be having a fun filled day of celebrations including an ice cream van and bouncy castle! For lunch the children will either need to bring their own packed lunch or order a Jubilee lunch from the kitchen. Please come dressed in red, white and blue clothes and be ready to celebrate!

SPOTLIGHT ON ORACY

This year, in school, we have been focussing on developing the children's oracy skills. Oracy is all about developing the speaking and listening skills needed to be able to express themselves confidently. For more information, please visit the Oracy page on the school website.

<https://www.stgilesstgeorgesacademy.co.uk/information/oracy/>

You can help your child by:

- Discussing a T.V. programme - talk about the themes of the programme. Ask them what they liked about it or what might happen in the next show.
- Discussing a news article - read a newspaper article together or watch Newsround and ask questions about this. For example, what did you learn from reading that article? How did the people feel?
- Listening to different types of oracy - podcasts, poetry, radio shows, television programmes, educational videos, or music.
- Correcting spoken English - if your child says, "I'm gonna go to the shop." Correct this with, "I am going to go to the shop."
- Asking questions to develop answers - 'why' is such a powerful word to use with your child, it develops their sentences and thought process as they have to explain further.
- Playing a game and discuss the rules - this can be as simple as playing different board games and getting your child to explain the rules.
