Wednesday 20 th July	Last Day of School
Thursday 21st July – Monday 5th September inclusive	Summer Holidays
Tuesday 6th September	First day back

SUMMER FAYRE

We will be hosting our summer fayre on Thursday 23rd June between 3:00pm and 4:30pm.

The children are creating and running several different stalls for you to enjoy. We would ask parents to collect their children at the end of the day and take them round to the rear of school to join in the fun

The Summer Fayre is a valuable opportunity for the school to raise funds for items not covered by Government funding. Items such as prizes, stickers, ice pops, certificates etc. If you are able to support this event, we would really appreciate it.

End of Year Events

As we near the end of the school year thoughts naturally turn to September. We have already hosted a number of transition events for our EYFS children and those children new to school and a letter has been sent to the current Year 2 parents regarding the allocation of classes for September. Reports are due to be sent to parents on Thursday 14th July, these reports contain class information for September, results of any statutory tests completed this year and a summary of achievement and progress this year. Should parents wish to discuss these reports further they can make an appointment with their child's class teacher.

JUNE IS PRIDE MONTH!

June is Pride Month – a month dedicated to celebrating LGBTQ+ communities around the world.

This year, Pride is having a special celebration as it is 50 years old. Pride is celebrated in the month of June, as that was the month when the Stonewall riots took place. The Stonewall riots were an important protest that took place in 1969 in the USA, that changed gay rights for a lot of people in America and around the world. Pride is a celebration of people coming together in love and friendship, to show how far LGBTQ+ rights have come, and how in some places there is still work to be done.

We've collected some information, resources and training opportunities for staff, that can be used to celebrate pride month:

 [BBC Newsround](#) has a selection of articles about Pride, the history of Pride, the iconic rainbow flag and more.

 [LGBT+ History Month](#) has a wide selection of general resources for use in schools and at home, including a new downloadable pride flag, classroom resources, presentations and resources for parents and pupils.

 [Stonewall](#) have a selection of articles and resources that look at Pride 50 and looking at the history of often overlooked identities.

 [BBC Teach](#) has a wide range of resources around LGBTQ+ history to help support teaching in the classroom.

Training opportunities

[Celebrating Pride Month 2022 – with Future Learn.](#)

Discover the origins of Pride Month, what's happening this month, a really useful list of changes in legislation pushed forward by Pride activism, and a selection of fantastic and FREE learning opportunities such as [Role of Gender Norms](#), [Representation in media](#), and [inclusive curriculum](#).

Uniform

We do understand that as we come to the end of the school year children outgrow uniform and parents would rather wait until the new year to find replacements, but we do have a number of children who are currently not meeting our expected uniform code. On PE days children are asked to wear a navy t-shirt (logo or not) and Navy shorts/ leggings/ jogging bottoms and trainers with a school jumper or hoodie. Football kits or t-shirts and shorts of other colours are not acceptable. Could we please ask parents to support us with this.

Parking

The Local Authority parking enforcement team have informed us that they will be patrolling over the next few weeks, following a number of complaints from local residents. It appears that parents are parking and blocking access to resident's properties as well as parking on double yellow lines. Please remember that irresponsible parking puts children in danger.
