Christmas Nativity Tickets

We are very excited to invite you to watch the EYFS and KS1 nativities.

In order to ensure we can fit everyone in the hall we will be sending home 2 tickets per child for each performance (4 tickets in total). These tickets will need to be handed in on the day of the performance.

Unfortunately, we won't be able to offer additional tickets, however if you don't need any of your tickets and would like to give them to another parent you are more than welcome to.

We have had a fantastic response to our Christmas Card Competition! Thank you to all those who took the time to enter. It was very difficult to judge. Congratulations to our 3 winners!!

Our Head and Deputy Head boys and girls visited the Cenotaph to mark Remembrance Day. They observed the two minutes silence and laid a wreath from the whole school community.

Every day counts at
St Giles' and St George's Academy!

Did you know...?

If your child's attendance
during the school year was...

Your child would have
lost approximately...

95%	10 days from school
90%	19 days from school
85%	29 days from school
80%	38 days from school
75%	47 days from school

Getting your child to school really matters!

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

OPERATION ENCOMPASS

“ Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience. ”

“ Children who experience domestic abuse are recognised as victims of domestic abuse in their own right! ”

“ We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care. ”

“ Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident ”

“ This information means that we can understand a child's behaviour and support that child in whatever way they may need or want. ”

“ We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this. ”
