

MIDSHIRE
SIGNATURE SERVICES

30th November

Dear Parent/Guardian

We are the new catering provider at your child's school and are absolutely delighted to be involved with Stafford Schools. As we move towards our first day of service and the beginning of our relationship with the Academy and yourselves, we thought we would give you some information about Midshire Signature Services and relay some important information to you, that we require you to complete.

We are an Independent contract caterer providing specialist catering, cleaning and support services, predominantly throughout the Northwest. Midshire Signature Services is a family run business and owned by husband and wife, Phil and Sue Bradwell.

Due to the change of catering contractor there will be some changes to the menu for the first couple of days, this is due to available delivery days from our suppliers.

Mission Statement:

'We are positively passionate, personable and professional in all that we do'

Your child's health and wellbeing is paramount to us, and you are required to complete the attached form and return it to positivelysafe@midshiresignatureservices.co.uk as soon as possible. We are aware that the school already holds a lot of this information, but we feel it is important that this information is updated on a regular basis to ensure that we, as the new caterer hold the correct details of your child's dietary requirements.

Yours faithfully

Sue Bradwell
