16th January 2023

Dear Parents of Year 3/4 HM

Swimming Lessons

This term Year 3/4HM should have started swimming lessons on 13th January however the swimming pool that we currently use is undergoing maintenance works and we have not been given a definitive date as to when these will be completed.

We apologise that your child is missing out on these lessons and can advise that we have booked a swimming pool to be placed on school grounds during the summer term and will ensure that this class will be first on the list to use this facility.

Yours sincerely

Mrs Pointon
Headteacher
