## OFSTED

All staff have been overwhelmed by the support shown by parents during our OFSTED inspection this week.

Your children were amazing their behaviour was exemplary and we felt we were truly able to showcase all the strengths of our school. It will be a few weeks before the final report is ready and we will share this with parents as soon as we are able to. I personally would like to thank all the hardworking staff who work to support your children. Every day they go above and beyond to give your child a love and joy for learning.

## Music

Our singing squad did their first 'solo' performance of the year and our recorder club also performed at the Victoria Hall this week. We are very proud of them all! We are always looking for more children to join us, so if your child is interested in this please get them to come and talk to Mrs Booth.
