## School Swimming

This year we have been struggling with the availability of the swimming venue which is currently undergoing repairs. This look set to continue so the school has organised for an on-site swimming pool to be available for the children to use at the end of June. This will give all year groups a fabulous opportunity to take part in swimming lessons on site something which I know all the children are very much looking forward to.

OPERATION ENCOMPASS  
Every Year. Every School. For every child.

*We are an Operation Encompass School. We support Staffordshire Police in reporting Domestic Violence within our school community. No one should be a victim of, or witness Domestic Violence. Together we stand strong.*

Emergency Alerts is a UK government service that will warn you if there's a danger to life nearby. In an emergency, your mobile phone or tablet will receive an alert with advice about how to stay safe.

This system will be tested on Sunday 23<sup>rd</sup> April at 3pm so at this time any devices you have will make a loud siren sound for around 10 seconds.

Please reassure your children that this is just a test and there is nothing to worry about.

**Are you looking for new books for your children to read?**

We know lots of the children in school love books by Julia Donaldson and Michael Morpurgo and lots of them are avid fans of Horrid Henry. If your child likes these books then please look at the poster below for suggestions of other books they may enjoy!
