Thank you!!

We would like to extend a big thank you to the PTFA for running a pop-up sweet stall and for their kind donation of dojo prizes for the children – we are really grateful that we have this support in order to continue to provide the children with amazing things.

Reports and Transition Day

End of year reports will come home on Tuesday 18th July and will contain a letter detailing your child's class teacher for next year.

On Wednesday 19th July children will have chance to meet their new class and teacher. They will come into school as normal to their current class and then be taken to their new class for the day before returning to their current class for the end of the day.

End of school year

As we come to the end of the school year, please can we ask that all reading books are returned to school so we can ensure the library is well-stocked for next year.

As always, we have lots of lost property around school – this will be available from outside the office next week for you to claim.

New School Year

When returning to school in September, please make sure your child has the correct uniform (expectations for each year group and prices are on the next page of the newsletter). Please also make sure that they have a water bottle in school each day and that any dinners are ordered via ParentPay by 8:30am on the day they are needed.

I enjoyed planting in Newcastle because my favourite things are planting and the garden outside.

I enjoyed Castaway play. It was nice to be with my friends.

I enjoyed the theatre trip because we got to watch a performance.
