Headteacher: Mrs C Pointon

Blood runs the same no matter your skin colour
 Looks don't matter, what's inside counts
 All of us are equals
 Colour is all around
 Kindness should be for everyone
 Hate shouldn't happen
 Identify as human
 Support should be spread throughout everyone
 Try and open up your mind
 One race united, we're in this together
 Race doesn't matter, we are all equal
 You are good enough

Before half term, children took part in Black History Month and created some fabulous work celebrating key figures in history and modern day.

Black History Month

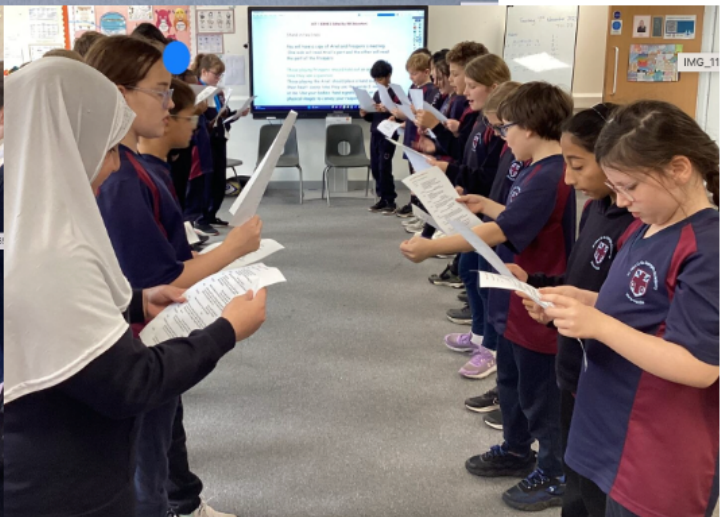

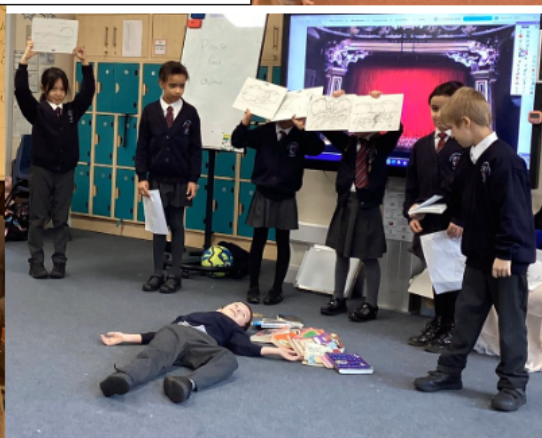

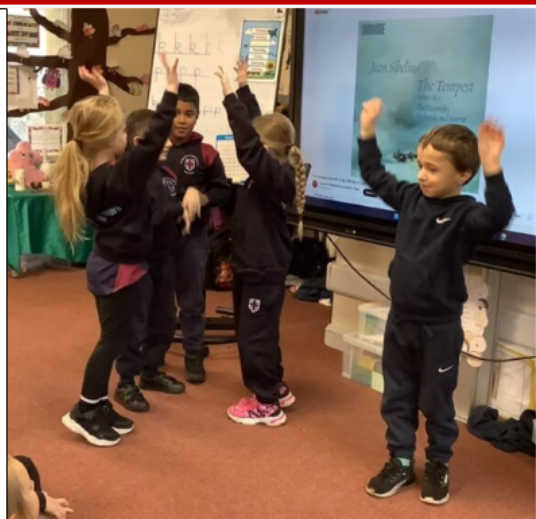

Care in the community - We have recently made links with Coopers Croft Care Home who came into school this week to visit our pupils. Harley the Hedgehog joined the children in worship to explain all the good work the care home do with their residents and the community. We are very much looking forward to working alongside them in the near future to complete craft days, make pen pal connections, growing fruit and vegetables and much more.

St Giles' & St George's C of E Academy

Shakespeare Week – The Tempest

Children across the school took part in drama, music, art and much more to explore the story of The Tempest. They produced some wonderful work and our eldest children got to share this with their families as they were invited in to school for a Shine afternoon.

Lest We Forget...

Our Year 6 pupils lay a wreath at the Cenotaph on Friday 10th November on behalf of our school community to mark Remembrance Day.
